NEW ADMISSIONS' PROCEDURE

We are implementing a computerized entrance system at the pool this summer. Please be prepared to show a photo ID, until that system is up and running. We request your patience, as we will eventually need to take a photograph of each family member for our system. After we have your family's photograph in our system, you will simply need to key in a code for admittance. We see the new system as an efficient and more secure method of controlling entry. You will also no longer need membership cards – let's save time, hassles, paper, and money\$\$!!

POOL GUEST FEES

Each family is allowed 4 free guests, and then the guest fees are as follows:

Weekdays Prior to 6pm: \$5.00

Weekends and Holidays: \$6.00

After 6pm Any Day: \$3.00

All guests over one (1) year of age must pay the proper fee.

Grandparents accompanying the Member are admitted free.
